

Kwik Trip

Lakeville North High School Panther Band

Kwik Trip Gas & Gift Card Fundraiser

The quick trip gas card fundraiser is a monthly fundraiser that is simple and easy. When you purchase a card through a band member, you receive the entire amount on a gift card – dollar for dollar. A percentage of this purchase is placed in the band members' individual account to be applied directly to the next band trip.

Kwik Trip cards are convenient to use since they can be used to pay at the pump or inside the store. The cards are available in various denominations for your convenience and make great gifts for graduations, birthdays, holidays. They are also a perfect way to benefit a band member while spending no more than you already do for gas and groceries at Kwik Trip each month.

Orders are **due by 8:00pm on the 15th** of each month at the address below (do NOT drop them off in the band room. **Orders can be picked up usually on the 25th.**

You will be notified of the pick up date and time by email.

Checks should be made out to: **Lakeville North Band Boosters.**

Use this order form each month for all orders accumulated by the 15th of each month.

You may copy this order form, or print a new one from the fundraising tab at www.lnhspantherband.com
